Hubbard Middle School

Plainfield, New Jersey

The Power of Knowledge

The power of knowledge is great,
The power of knowledge is grand,
The power of knowledge is given to every man.

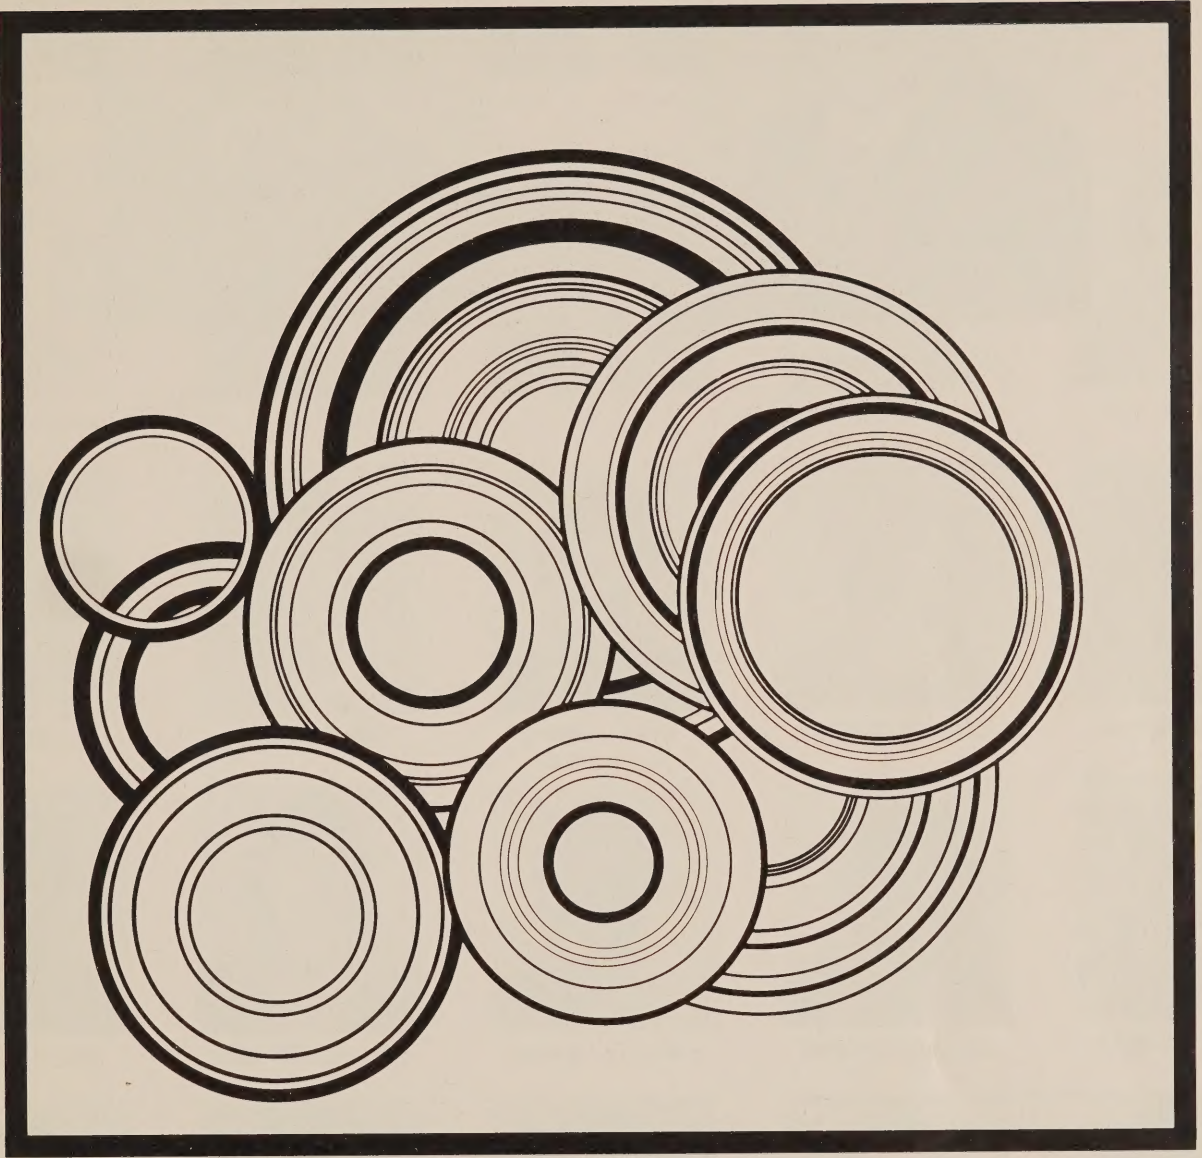

Some say school is a bore
And they're not going anymore.
Some say they'll stay
Just to meet friends and play.

When you go to school,
Please don't play.
Education has to be with you
Every step of the way.

Later on in life, when you need a job,
You'll have to be educated,
And even then -
You'll have to be college rated.

Through every level of school
Even up to college,
You're going to need
The Power of Knowledge.
